

# Get in touch

We're here to answer your questions, support your events, and much more. We can also help you to pay in your donations.

## How to pay in your donation(s):

### 1. Paying in online:

A quick and simple way to transfer funds to us from your own account is via our website. Go to [actionforchildren.org.uk/donate](https://actionforchildren.org.uk/donate) and choose 'make a one-off donation'. Once you've entered how much you're donating, you can tell us it's from fundraising on the next page.

### 2. By bank transfer (BACS)

Our bank details are:

Sort code: **40-02-06**

Account number: **10950149**

Account name: **Action for Children.**

Please help us to track your funds by adding a reference to your payment. It might be the name of your church or postcode, or even your Constituent ID, if you have it. Feel free to ask your regional fundraiser or contact Supporter Services if you're not sure of your ID. Please let them know you'll be making a payment in this way, so we can look out for it.

### 3. By phone:

Our Supporter Services team can take your payment by card. Call them on **0300 123 2112**.

If you are paying funds into us by cash or by cheque, over the counter at a branch of HSBC or the Post Office®, we ask you to request a pre-printed giro from us. This allows us all to make sure your fundraising is transferred directly to us. You can request a giro from our team or from your local regional fundraiser.

### 4. Paying in cash:

You can pay cash into our account using our details in point two. You can do this in either a local HSBC branch, or by using an HSBC deposit card at your local Post Office®. Please contact our Supporter Services Team to have a deposit card sent to you.

### 5. Paying in cheques:

You can deposit cheques to us by post (please note we can't receive cash by post).

Post to us at:

**Supporter Services Team  
Action for Children  
3 The Boulevard, Ascot Road  
Watford, WD18 8AG**

Our colleagues will receive and acknowledge your cheque, with thanks.

If you choose to pay in your fundraising by post, please do make sure that you enclose your details to help us to track funds and – importantly – to say a big thank you.
