

Nothing about me, without me

Are you aged 14-25 years old, living in the UK and want to make a difference to children and young people?

Join our

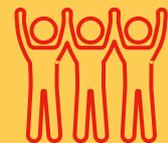

Young Ambassadors Board

It's free to join, with online and in-person meet-ups and great events.

Share your views and ideas on things that matter to you.

Have fun, learn new skills and make change happen.

We work in four main areas: family support, children in care, disabled children and mental health and wellbeing. And we're keen to receive applications from people with experience or knowledge of these.

Apply by completing a short form at actionforchildren.uk/youthvoice
Or email youthvoice@actionforchildren.org.uk to find out more.
